

## EcoHelpers: Teacher Evaluation

Your opinion is important to us and will be considered for future programs. **Please return to a Park Ranger at the end of the program.**  
Thank you for your time and assistance!

What were your expectations of the EcoHelpers program? Were they met?

Did the program meet your curriculum objectives? Please describe.

What worked **best and least** in the program?

Do you think that the program increased your students' appreciation of national parks?... of their community's watersheds?

How could we improve the EcoHelpers program?

Did you receive our "EcoHelpers Teacher's Manual" in the mail? Which sections were useful/not useful and why?
